Subject: homes for water delivery

RR - these are the home that it appears that we will be able to start home deliveries to (fingers crossed). Per Rich's request I have started to number the homes and will continue to do so as we add them to the list (both sampling and water delivery). I will keep this up until Joanna gets back and is able to track them for us. I would suggest that we ask that START add this designation somewhere to their sample numbering scheme for easy identification.

Note that this is 4 wells, but actually 6 separate homes.

Home Well (HW #4): (Craig and Julia Sautner - 1101 Carter Road): .

HW #6 **Ex. 6 - Personal Privacy**  
HW #7a **Ex. 6 - Personal Privacy** / HW #7b **Ex. 6 - Personal Privacy** We never got a home address for these two locations, but you were at the **Ex. 6 - Personal Privacy** house - **Ex. 6 - Personal Privacy** understand that **Ex. 6 - Personal Privacy** home is right next door.

HW #8a **Ex. 6 - Personal Privacy** / HW #8b **Ex. 6 - Personal Privacy** 2 homes
